Dear Alumni and Friends

I would like to thank you for voting me as your next National Alumni Association's (NAA's) President. It gives me great pleasure to serve my alma mater as well as you, the alumni. Much has changed in the 30 years since I graduated from Saint Augustine's College. Both the student body and the physical campus have grown tremendously. This past Homecoming was one of the best I've attended and the reunion classes did an outstanding job raising money for the college. Help me to keep the momentum going.

For those who do not know me, let me introduce myself: I was born in Windsor, North Carolina. I received my bachelor's degree in 1980 and was commissioned as a second lieutenant in the US Army. I served twenty years as a military intelligence officer and am a veteran of the Desert Storm War. Upon my military retirement I joined the Joint Warfighting Center in Suffolk, VA as a senior military analyst. During the past ten years I've served as the chapter president and secretary of the Hampton Roads Alumni Chapter, NAA Treasurer, NAA webmaster, and I am a life member of the NAA.
